- (c) The person has control over the time when the work is performed, and the time of performance is not dictated by the employer. However, this shall not prohibit the employer from reaching an agreement with the person as to completion schedule, range of work hours, and maximum number of work hours to be provided by the person, and in the case of entertainment, the time such entertainment is to be presented.
- (d) The person hires and pays the person's assistants, if any, and to the extent such assistants are employees, supervises the details of the assistants' work.

- (i) The person is responsible in the first instance for the main expenses related to the service or work performed. However, this shall not prohibit the employer or person offering work from providing the supplies or materials necessary to perform the work.
- (j) The person is responsible for satisfactory completion of work and may be held contractually responsible for failure to complete the work.
- (k) The person supplies the principal tools and instrumentalities used in the work, except that the employer may furnish tools or instrumentalities that are unique to the employer's special requirements or are located on the employer's premises.

NEW HAMPSHIRE'S MECHANICS' LIEN LAW SUMMARY

NH Law provides that anyone who provides either materials, labor, or supplies has a right under certain circumstances to place a lien on the property that they provided material, labor or supplies. This excerpt summarizes portions of RSA 447; however any questions should be referred to your attorney.

1. CREATION OF LIEN - RSA 447:2

If any person shall perform labor or furnish materials for erecting or repairing a house or other building, under contract, he shall have a lien on any material so furnished and on said structure, and on any right of the owner to the lot of land on which it stands.

2. SUBCONTRACTORS – RSA 447:5

If a person shall by himself or others perform labor or furnish materials for the erecting or repairing a house or other building, under contract with an agent, contractor or subcontractor of the owner, he shall have the same lien, provided, that he gives notice in writing to the owner or to the person having charge of the property that he shall claim such lien before performing the labor or furnishing the material for which it is claimed.

3. DURATION OF LIEN - RSA 447:9

The duration of the lien created by RSA 447:2-7, inclusive, will continue for 120 days after the services are performed, or the materials, supplies or other things are furnished, unless payment therefor is previously made, and shall take precedence of all prior claims except liens on account of taxes.

4. ATTACHMENT PRIORITY - RSA 447:12-a

A mechanics' lien secured by an attachment takes priority over a construction mortgage unless:

- The construction mortgagee (lender) shows that the proceeds of the loan were disbursed toward payment of invoices from or claims due subcontractors and suppliers of materials or labor for the work on the project; or
- The mortgagee receives an affidavit from the mortgagor (borrower) or his agent, that the work for which such disbursement is to be made has been completed and that the subcontractors and suppliers of materials or labor have been paid for their share of such work, or will be paid out of such disbursement.
- A mortgagee must not knowingly accept a fraudulent affidavit.
- A mortgagee must encourage and promote the provisions of the law.

5. ADDITIONAL RESPONSIBILITIES: CONSTRUCTION MORTGAGES -RSA 447:12-b,I

- The mortgagor or agent must post the name, address, and telephone number of the institution providing the construction funds within 10 business days of the execution of a construction mortgage, including any refinancing.
- The name, address and telephone number of the institution providing construction funds must be posted in a conspicuous place on the job site for which the construction funds were secured.

6. NOTICE TO LENDER - RSA 447:12-b, II

- General contractors, subcontractors, suppliers and others entitled to a lien under RSA 447 must provide written notice to the institution providing the construction funds that such person is furnishing services, materials, supplies or other things.
- The “written notice to lender” must be provided within 15 business days of the construction lender’s identification posting (paragraph 4 above) or of commencing to furnish services, materials, supplies or other things, whichever is later.
- The written notice must include the name and address of the job site.
- Failure to provide this notice will not alone invalidate a lien.

7. ~~POSTING OF ANTICIPATED FUNDING DATE - RSA 447:12-b, III~~

- ~~• At least 48 hours prior to requesting any construction mortgage disbursement (requisition), the mortgagor or his agent must post the anticipated funding date for said disbursement (requisition).~~
- ~~• The anticipated funding date must be posted in a conspicuous place on the job site for which the construction funds were secured.~~
- ~~• The lender must require a copy of the notice which must be “certified” as to its posting by the mortgagor or his agent prior to disbursing any funds.~~

8. TWO-PARTY CHECKS: DISBURSEMENT FOR COMPLETED WORK - RSA 447:12-b, IV

- If there is a written contract between the mortgagor or his agent and any person furnishing services, materials, supplies or other things, which provides that the disbursement of construction funds must be by a two-party check, the mortgagor or his agent, must give a copy of such agreement to the mortgagee.
- Upon receipt of the agreement, the mortgagee shall subsequently disburse funds intended in part to pay such person, only by a check made payable to the mortgagor or his agent and such person.
- Unless otherwise agreed by the mortgagor and mortgagee, the disbursements must be made only for actual work completed and materials consumed on the job site for which the construction funds were secured.

**NEW HAMPSHIRE HOUSING FINANCE AUTHORITY
THRESHOLD REQUIREMENTS TO COMPLY WITH SECTION 3**

**EFFECTIVE FOR PROJECTS RECEIVING COMMITMENTS
ON OR AFTER NOVEMBER 30, 2020
VERSION: 11/18/2021**

SUMMARY OF SECTION 3

The rule establishes the requirements to be followed to ensure the objectives of Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) (Section 3) are met. The purpose of Section 3 is to ensure that economic opportunities, most importantly employment, generated by certain HUD financial assistance shall be directed to low- and very low-income persons, particularly those who are recipients of government assistance for housing or residents of the community in which the Federal assistance is spent.

The objective is to secure the participation of low-income persons and Section 3 business concerns in activities that arise in connection with the assisted project. Section 3 applies where \$200,000.00 or more of applicable HUD program funds are awarded to a project, which includes construction or rehabilitation activity. Section 3 requirements apply to the entire project, not just the HUD-financed portion. If a housing rehabilitation, housing construction, or other public construction project receives more than \$200,000 of HUD funding, then Section 3 requirements are triggered and apply to all employment and training opportunities and contracts for work arising in connection with the project including efforts that are financed by other, non-HUD sources of funds. Grantees must make all recipients, contractors, and subcontractors aware of the need to comply with Section 3 requirements. Section 3 regulations also encourage the provision of other economic opportunities to low-income persons and businesses. Examples of other economic opportunities include: trainee positions, management and, part-time positions, efforts to establish or expand Section 3 business concerns. The Section 3 requirements also apply when a project receives less than \$200,000 in HUD housing and community development financial assistance but receives public housing financial assistance, as defined in 24 CFR 75.3(a)(1), or more than \$100,000 of Lead Hazard Control and Healthy Homes program funding, Section 3 also applies to other federal housing and community development programs, recipients of public or Indian housing programs and community development assistance.

New Hampshire Housing Finance Authority will need to demonstrate how and whether Section 3 goals are met. Therefore documentation of Section 3 Worker, Targeted Section 3 Worker and Section 3 Business Concern participation is required.

Outreach, Employment and Section 3 Residents

The objective is to secure jobs for low-income persons that are generated by Section 3 covered project. Section 3 Workers must be encouraged to apply for all project-related, full-time positions including: construction related, technical services, administrative, coordination, maintenance, management and other positions. Jobs must be given to Section 3 Workers to the greatest extent feasible. Compliance with Section 3 is achieved if

1. Twenty-five (25) percent or more of the total number of labor hours worked by all workers on a Section 3 project must be done by Section 3 workers and
2. Five (5) percent or more of the total number of labor hours worked by all workers on a Section 3 project must be done by Targeted Section 3 workers

Section 3 Workers are defined as following:

1. Is a low- or very low-income worker that fell below HUD income limits for the previous or annualized calendar year. Low- and very-low-household income limits may be obtained from: <http://www.huduser.org/portal/datasets/il.html>
2. Is employed by a Section 3 business concern.
3. Is a YouthBuild participant. YouthBuild is a community-based pre-apprenticeship program administered by the U.S. Department of Labor that provides job training and educational opportunities for at-risk youth ages 16-24 who have previously dropped out of high school.

Targeted Section 3 Workers are defined as following:

1. A worker employed by a Section 3 business concern (defined below), or
2. A worker who currently fits or when hired fit at least one of the following categories, as documented within the past five years:
 - a. Living within the service area or the neighborhood of the project (within one mile).
 - b. A YouthBuild participant.

An individual seeking preference for training and employment under Section 3 shall certify or submit evidence to the recipient, contractor or subcontractor (as requested) that the person is a Section 3 resident.

Contracting with Section 3 Business Concerns

The statute creates a contracting priority for businesses that provide economic opportunities for low- and very low-income workers. To implement this priority, the regulation includes labor hours worked by Section 3 business concern employees to count towards benchmarks for Section 3 workers and Targeted Section 3 workers.

A Section 3 business concern: A Section 3 business concern is defined in 24 CFR 75.5 as a business that meets at least one of the following criteria, documented within the last six-month period:

1. At least 51 percent owned and controlled by low- or very low-income persons,
2. More than 75 percent of the labor hours performed for the business over the previous 3-month period are performed by Section 3 workers, or
3. At least 51 percent owned and controlled by current residents of public housing or Section 8-assisted housing.

Highest preference must be provided to Section 3 business concerns in the jurisdiction of the project. Second tier concerns are applicants selected to carry out HUD Youthbuild programs. Third tier includes all other Section 3 business concerns.

There is no registration process to establish qualification; rather the business concern shall certify that it meets the regulatory definition to the qualifying HUD funds recipient or contractor. Business concerns shall also submit evidence to the recipient, contractor or subcontractor as requested to demonstrate that the business is responsible and has the ability to perform successfully under the terms and conditions of the proposed contract.

SUMMARY OF SECTION 3 GOALS

Employment of Section 3 Workers and Business Concerns by Recipients of HUD Funds:

1. Twenty-five (25) percent or more of the total number of labor hours worked by all workers on a Section 3 project must be done by Section 3 workers and
2. Five (5) percent or more of the total number of labor hours worked by all workers on a Section 3 project must be done by Targeted Section 3 workers

Contraction with Section 3 Business Concerns:

Section 3 business concerns are not exempt from meeting contract specifications nor do the regulations require the contracting or subcontracting of a Section 3 business concern.

HUD's Section 3 Business Registry is a searchable on-line database of firms that have self-certified that they meet one of the regulatory definitions of a Section 3 business concern. Agencies that receive HUD funds, developers, contractors, and others can use this registry to facilitate the award of certain HUD-funded contracts. While the Department maintains the Business Registry database, it has not verified the information submitted by the businesses and does not endorse the services they provide. Accordingly, grantees must verify that each business meets the definition of a Section 3 business concern before awarding contracts to any firm that has self-certified on this registry.

Section 3 clause.

All section 3 contracts shall include the following clause (referred to as the Section 3 Clause):

A. The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended 12 U.S.C. 1701u (section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3 shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing or reside within 1 mile of the project.

B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 75, which implements Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with 24 CFR part 75 regulations.

C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

D. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 75, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 75. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 75.

E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 75 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 75.

F. Noncompliance with HUD's regulations in 24 CFR part 75 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

G. With respect to work performed in connection with Section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 5307(b)) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (1) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of Section 3 and section 7(b) agree to comply with Section 3 to the greatest extent feasible, but not in derogation of compliance with section 7(b).

Title 24

PART 75 - ECONOMIC OPPORTUNITIES FOR LOW- AND VERY LOW-INCOME PERSONS

Authority: 12 U.S.C. 1701u; 42 U.S.C. 3535(d).

Subpart A - General Provisions

§ 75.1 Purpose.

This part establishes the requirements to be followed to ensure the objectives of Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) (Section 3) are met. The purpose of Section 3 is to ensure that economic opportunities, most importantly employment, generated by certain HUD financial assistance shall be directed to low- and very low-income persons, particularly those who are recipients of government assistance for housing or residents of the community in which the Federal assistance is spent.

§ 75.3 Applicability.

- (a) **General applicability.** Section 3 applies to public housing financial assistance and Section 3 projects, as follows:
 - (1) **Public housing financial assistance.** Public housing financial assistance means:
 - (i) Development assistance provided pursuant to section 5 of the United States Housing Act of 1937 (the 1937 Act);
 - (ii) Operations and management assistance provided pursuant to section 9(e) of the 1937 Act;
 - (iii) Development, modernization, and management assistance provided pursuant to section 9(d) of the 1937 Act; and
 - (iv) The entirety of a mixed-finance development project as described in 24 CFR 905.604, regardless of whether the project is fully or partially assisted with public housing financial assistance as defined in paragraphs (a)(1)(i) through (iii) of this section.
 - (2) **Section 3 projects.**
 - (i) Section 3 projects means housing rehabilitation, housing construction, and other public construction projects assisted under HUD programs that provide housing and community development financial assistance when the total amount of assistance to the project exceeds a threshold of \$200,000. The threshold is \$100,000 where the assistance is from the Lead Hazard Control and Healthy Homes programs, as authorized by Sections 501 or 502 of the Housing and Urban Development Act of 1970 (12 U.S.C. 1701z-1 or 1701z-2), the Lead-Based Paint Poisoning Prevention Act (42 U.S.C 4801 *et seq.*); and

the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851 *et seq.*). The project is the site or sites together with any building(s) and improvements located on the site(s) that are under common ownership, management, and financing.

- (ii) The Secretary must update the thresholds provided in paragraph (a)(2)(i) of this section not less than once every 5 years based on a national construction cost inflation factor through **FEDERAL REGISTER** notice not subject to public comment. When the Secretary finds it is warranted to ensure compliance with Section 3, the Secretary may adjust, regardless of the national construction cost factor, such thresholds through **FEDERAL REGISTER** notice, subject to public comment.
 - (iii) The requirements in this part apply to an entire Section 3 project, regardless of whether the project is fully or partially assisted under HUD programs that provide housing and community development financial assistance.
- (b) **Contracts for materials.** Section 3 requirements do not apply to material supply contracts.
 - (c) **Indian and Tribal preferences.** Contracts, subcontracts, grants, or subgrants subject to Section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 5307(b)) or subject to tribal preference requirements as authorized under 101(k) of the Native American Housing Assistance and Self-Determination Act (25 U.S.C. 4111(k)) must provide preferences in employment, training, and business opportunities to Indians and Indian organizations, and are therefore not subject to the requirements of this part.
 - (d) **Other HUD assistance and other Federal assistance.** Recipients that are not subject to Section 3 are encouraged to consider ways to support the purpose of Section 3.

- (b) [Reserved]

§ 75.13 Section 3 safe harbor.

- (a) **General.** PHAs and other recipients will be considered to have complied with requirements in this part, in the absence of evidence to the contrary, if they:
 - (1) Certify that they have followed the prioritization of effort in § 75.9; and
 - (2) Meet or exceed the applicable Section 3 benchmarks as described in paragraph (b) of this section.
- (b) **Establishing benchmarks.**
 - (1) HUD will establish Section 3 benchmarks for Section 3 workers or Targeted Section 3 workers or both through a document published in the **FEDERAL REGISTER**. HUD may establish a single nationwide benchmark for Section 3 workers and a single nationwide benchmark for Targeted Section 3 workers, or may establish multiple benchmarks based on geography, the type of public housing financial assistance, or other variables. HUD will update the benchmarks through a document published in the **FEDERAL REGISTER**, subject to public comment, not less frequently than once every 3 years. Such notice shall include aggregate data on labor hours and the proportion of PHAs and other recipients meeting benchmarks, as well as other metrics reported pursuant to § 75.15 as deemed appropriate by HUD, for the 3 most recent reporting years.

- (2) In establishing the Section 3 benchmarks, HUD may consider the industry averages for labor hours worked by specific categories of workers or in different localities or regions; averages for labor hours worked by Section 3 workers and Targeted Section 3 workers as reported by recipients pursuant to this section; and any other factors HUD deems important. In establishing the Section 3 benchmarks, HUD will exclude professional services from the total number of labor hours as such hours are excluded from the total number of labor hours to be reported per § 75.15(a)(4).
- (3) Section 3 benchmarks will consist of the following two ratios:
 - (i) The number of labor hours worked by Section 3 workers divided by the total number of labor hours worked by all workers funded by public housing financial assistance in the PHA's or other recipient's fiscal year.
 - (ii) The number of labor hours worked by Targeted Section 3 workers, as defined in § 75.11(a), divided by the total number of labor hours worked by all workers funded by public housing financial assistance in the PHA's or other recipient's fiscal year.

§ 75.15 Reporting.

(a) *Reporting of labor hours.*

- (1) For public housing financial assistance, PHAs and other recipients must report in a manner prescribed by HUD:

 - (iii) The total number of labor hours worked by Targeted Section 3 workers.
- (2) Section 3 workers' and Targeted Section 3 workers' labor hours may be counted for five years from when their status as a Section 3 worker or Targeted Section 3 worker is established pursuant to § 75.31.
- (3) The labor hours reported under paragraph (a)(1) of this section must include the total number of labor hours worked with public housing financial assistance in the fiscal year of the PHA or other recipient, including labor hours worked by any contractors and subcontractors that the PHA or other recipient is required, or elects pursuant to paragraph (a)(4) of this section, to report.
- (4) PHAs and other recipients reporting under this section, as well as contractors and subcontractors who report to PHAs and recipients, may report labor hours by Section 3 workers, under paragraph (a)(1)(ii) of this section, and labor hours by Targeted Section 3 workers, under paragraph (a)(1)(iii) of this section, from professional services without including labor hours from professional services in the total number of labor hours worked under paragraph (a)(1)(i) of this section. If a contract covers both professional services and other work and the PHA, other recipient, contractor, or subcontractor chooses not to report labor hours from professional services, the labor hours under the contract that are not from professional services must still be reported.
- (5) PHAs and other recipients may report on the labor hours of the PHA, the recipient, a contractor, or a subcontractor based on the employer's good faith assessment of the labor hours of a full-time or part-time employee informed by the employer's existing salary or time and attendance based payroll systems, unless the project or activity is otherwise subject to requirements specifying time and attendance reporting.

- (b) **Additional reporting if Section 3 benchmarks are not met.** If the PHA's or other recipient's reporting under paragraph (a) of this section indicates that the PHA or other recipient has not met the Section 3 benchmarks described in § 75.13, the PHA or other recipient must report in a form prescribed by HUD on the qualitative nature of its Section 3 compliance activities and those of its contractors and subcontractors. Such qualitative efforts may, for example, include but are not limited to the following:

 - (8) Assisted Section 3 workers to obtain financial literacy training and/or coaching.
 - (9) Engaged in outreach efforts to identify and secure bids from Section 3 business concerns.
 - (10) Provided technical assistance to help Section 3 business concerns understand and bid on contracts.

 - (12) Provided bonding assistance, guaranties, or other efforts to support viable bids from Section 3 business concerns.
 - (13) Promoted use of business registries designed to create opportunities for disadvantaged and small businesses.
 - (14) Outreach, engagement, or referrals with the state one-stop system as defined in Section 121(e)(2) of the Workforce Innovation and Opportunity Act.

- (d) **Reporting by Small PHAs.** Small PHAs may elect not to report under paragraph (a) of this section. Small PHAs that make such election are required to report on their qualitative efforts, as described in paragraph (b) of this section, in a manner consistent with reporting requirements for the applicable HUD program.

Report of Additional Classification and Wage Rate	U.S. Department of Housing and Urban Development Office of Labor Relations	OMB Approval No. 2501-0011 (Exp. 01/31/2010)
--	---	---

Public reporting burden for this collection of information is estimated to average 1 hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining data needed, and completing and reviewing the collection of information. The information is considered non-sensitive and does not require special protection. This information is required to obtain benefits. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB control number.

Employers engaged on HUD-assisted construction projects subject to Davis-Bacon wage requirements must pay no less than the wages determined to be prevailing by the Secretary of Labor to all laborers and mechanics engaged on the construction work. On occasion, the applicable Davis-Bacon wage decision does not contain all of the work classifications and wage rates needed to complete the construction work. This information collection facilitates the addition of needed work classifications and wage rates for the construction work involved. This form is used by HUD and local agencies administering HUD programs to report employer request(s) for additional classification and wage rates so that an appropriate wage rate can be approved by the Department of Labor for the construction work. This information collection is required by Department of Labor regulations at 29 CFR 5.5. While no assurances of confidentiality are pledged to respondents, HUD generally discloses these data only in response to a Freedom of Information request.

HUD INCOME LIMITS TOOL INSTRUCTIONS FOR EMPLOYEES THAT LIVE OUTSIDE OF NH

1. Visit this website: <https://www.huduser.gov/portal/datasets/il.html>

The most recent income limit data year should be selected at the top left. (Please keep in mind that HUD adjusts income limits annually on a fiscal year basis. Updates will be made around spring and are effective immediately).

2. Select “Click here for FY 2026 IL Documentation”

The screenshot shows the top section of the HUD Income Limits Tool. At the top, there is a row of buttons for selecting a year: 2026, 2025, 2024, 2023, 2022, and a 'Year' dropdown menu. The '2026' button is highlighted with a red box. Below this is a navigation bar with 'Query Tool', 'Documents', and 'Data' tabs. Under 'Documents', there is a link 'Effective May 01, 2026.' Below that is a section titled 'Access Individual Income Limits Areas'. A paragraph of text explains that the system provides complete documentation of the development of the FY 2026 Income Limits (ILs) for any area of the country selected by the user. At the end of this paragraph, there is a button labeled 'Click Here for FY 2026 IL Documentation', which is also highlighted with a red box.

3. Select a State, select a County, then select "View Countywide Calculations"

The screenshot shows the main selection area of the HUD Income Limits Tool. It contains several dropdown menus: 'Year' (set to 2026), 'Select a Geography' (set to County), 'Select a State' (set to Massachusetts), and 'Select a County' (set to Methuen city (Essex County), MA). The 'Select a State' and 'Select a County' sections are highlighted with a red box. Below these selections, there is a text line: 'Prepared by the [Program Parameters and Research Division](#), HUD.' At the bottom, there is a button labeled 'View Countywide Calculations'.

HUD INCOME LIMITS TOOL INSTRUCTIONS FOR EMPLOYEES THAT LIVE OUTSIDE OF NH

4. The FY 2025 income limits summary will then generate based on your selection. For Section 3 Purposes, you only need to focus on the **1 person 50% and 80% Income Limits**

FY 2026 Income Limits Summary

While completion of Form WH-347 is optional, it is mandatory for covered contractors and subcontractors performing work on Federally financed or assisted construction contracts to respond to the information collection contained in 29 C.F.R. §§ 3.3, 5.5(a). The Copeland Act (40 U.S.C. § 3145) contractors and subcontractors performing work on Federally financed or assisted construction contracts to "furnish weekly a statement with respect to the wages paid each employee during the preceding week." U.S. Department of Labor (DOL) regulations at 29 C.F.R. § 5.5(a)(3)(ii) require contractors to submit weekly a copy of all payrolls to the Federal agency contracting for or financing the construction project, accompanied by a signed "Statement of Compliance" indicating that the payrolls are correct and complete and that each laborer or mechanic has been paid not less than the proper Davis-Bacon prevailing wage rate for the work performed. DOL and federal contracting agencies receiving this information review the information to determine that employees have received legally required wages and fringe benefits.

Public Burden Statement

We estimate that it will take an average of 55 minutes to complete this collection, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. If you have any comments regarding these estimates or any other aspect of this collection, including suggestions for reducing this burden, send them to the Administrator, Wage and Hour Division, U.S. Department of Labor, Room S3502, 200 Constitution Avenue, N.W.

COLLATERAL ASSIGNMENT OF CONTRACT

THIS ASSIGNMENT is made by and between **New Hampshire Housing Finance Authority** ("Lender"), the undersigned "Borrower", the undersigned "Contractor", and the undersigned "Vendor".

RECITALS:

- A. The Lender has made or is making a construction loan(s) to the Borrower to build improvements upon premises situated at _____.
- B. The Borrower has entered into a construction contract with Contractor to construct the improvements.
- C. In connection with the construction, Contractor has entered into a contract with Vendor for the purchase of _____. A true and complete copy of the executed contract is attached hereto as Exhibit A (hereinafter "Contract").
- D. Borrower has requested that Lender advance loan funds in the amount of \$_____ to the Contractor to pay the deposit required under the Contract (hereinafter "Deposit"). Lender has agreed to advance the Deposit provided that Borrower and Contractor collaterally assign their rights under the Contract and that Vendor consents to the assignment and agrees to be bound by the terms hereof.

NOW THEREFORE, in exchange for good and valuable consideration, the receipt and sufficiency of which are acknowledged, the parties agree as follows:

- 1. Deposit. Lender shall pay the Deposit to Vendor on behalf of the Borrower and the Contractor in accordance with the terms of the Contract.
- 2. Assignment. Borrower and Contractor hereby collaterally assign to Lender all of their right, title and interest in and to the Contract whether as a primary party or as a third-party beneficiary, including any permitted amendments thereto. Lender agrees not to exercise any rights under this Assignment except upon the occurrence, in Lender's sole determination, of an event of default under the terms of the loan(s). After an event of default and upon written notice to the Borrower, Contractor, and the Vendor, the Lender shall be entitled to all the benefits of the Contract and, if necessary, shall be entitled to enforce the terms of the Contract. The Borrower and the Contractor hereby grant the Lender an

irrevocable power of attorney, coupled with an interest, to execute any and all documents necessary in order to effectuate the terms of this Assignment or the Contract at any time after Lender's written notice of default.

3. Vendor Consent. By signing this Assignment, Vendor consents to the assignment of the Contract and agrees that upon written notice from the Lender of an event of default, Vendor shall immediately recognize Lender as the primary party to the Contract in place of Contractor and shall afford Lender all rights and accommodations thereunder.
4. Contract Amendment. Borrower, Contractor, and Vendor represent and warrant that the attached Contract is a true and complete copy of the agreement between Contractor and Vendor and that there are no other agreements, written or oral, between them. Contractor and Vendor agree that any material changes or amendments to the Contract shall be void and enforceable without the prior written consent of the Lender.
5. Indemnification. The Borrower hereby agrees to indemnify and hold harmless the Lender against and from (a) any and all liability, loss, damage and out-of-pocket expense, including reasonable attorneys' fees, which Lender may or shall incur or which may be asserted under or in connection with any of the rights granted herein, or by reason of any action taken or reasonable expenses incurred or paid by the Lender under this Assignment (including without limitation any action which the Lender in its discretion may take to protect its interests in the Contract), and (b) any and all claims and demands whatsoever which may be incurred by or asserted against the Lender by reason of any alleged obligations or undertaking on its part to perform or discharge any of the terms, covenants and conditions contained in any of the items, rights or obligations assigned herein.
6. Waiver and Remedies. Failure of the Lender to avail itself of any of the terms, covenants, and conditions of this Assignment for any period of time, or at any time or times, shall not be construed or deemed to be a waiver of any of its rights hereunder, unless such delay is unreasonable and shall have a materially adverse effect on Borrower's indemnification obligation hereunder.
