IMPACT GRANT

Impact grants are awarded to eligible organizations that have an existing workforce housing education and advocacy program, or primary mission related to workforce housing education and advocacy.

Maximum Grant Award: \$40,000

Matching funds required: Yes, dollar-for-dollar matching funds are required.

Who is eligible:

- Non-profit organizations whose primary mission is workforce housing education and advocacy and have been in operation for at least one year.
- Non-profit economic or community development organizations that have an existing workforce housing education and advocacy program that has been running for at least one year.

For-profit organizations, organizations engaged in housing development, municipal governments, and 501c4 organizations are not eligible.

Required information if invited to apply:

- Narrative describing the organizational history and structure.
- Work plan for the next 12-months outlining the following details:
 - o Description of your local housing challenges and opportunities for change related to land use regulations, processes, and/or public investment policies.
 - o Identify the work you will undertake to address these challenges and the outcomes you expect.
 - o Specifics on how these grant funds will be used to support your actions to reach intended goals.
 - o Summary of activities related to the past year's work plan if the applicant had previously received an Impact Grant.
- Financial information including prior year and current year to date financial statements, as well as a proposed budget for the next 12 months.

Additional information may be requested during the application process. If invited to apply, detailed instructions on how to format and submit your information will be provided. Grants may be approved at an amount lower than requested and, if approved, a grant contract will be created based on an agreed upon scope of work.
